MANAGEMENT TALK

BILL COLLINS

Good Afternoon,

Reading Ted Buxton's programme notes for the Bournemouth match started me thinking once more about that now ancient accusation of this club not wanting promotion.

As a long-server at Priestfield I've been subjected to these stories for too long and quite frankly I'm at a loss to know just how we all can convince these sceptics that nothing could be further from the truth.

In terms of financial outlay and the directors' commitment coupled with the preparation of players in training and their incentives, Gillingham has been geared for promotion from the first day of the season.

In fact the players that have arrived at Priestfield during the course of the season have remarked on just how ambitious a club Gillingham is.

But still we have to live with cynical criticism, no matter what, no matter how hard we try.

Among the essential ingredients for promotion is the so called 'rub of the green.' That element of good fortune all successful clubs need.

In this respect, we've been unfortunate in that so many key players have been sidelined at crucial times through injury, enforcing constant changes which has consequently disrupted the team's pattern of play.

But please, please stay loyal and keep cheering in this final promotion push.

Among the crowd today will be the Medway Primary Schools' representative soccer team and their manager Bill Carney, a very good friend of Gillingham's and a marvellous character.

Hopefully, some of the lads visiting today will be Gillingham players of tomorrow.

Welcome to Bolton Wanderers and their manager Charlie Wright who played in goal for Charlton with such distinction for so many seasons.

TREVOR'S TRAVELS

Trevor Lee, who will probably go down in the annals of Gillingham's history as the club's most expensive signing at £90,000 has moved on from Northampton to Second Division Fulham.

Trevor, now 30, has been given a chance at Craven Cottage by manager Ray Harford who was assistant to Colchester's then manager Bobby Roberts at the time of his move to Priestfield.

Trevor will be best remembered by Gillingham supporters for his vital away goals which helped stop the club sliding into the Fourth Division.

Signed in January 1981, he made 43 appearances for Gillingham, scoring 14 goals. After a spell on loan at Orient, he was transferred to Bournemouth where he managed nine goals in 28 appearances.

His next stop was Cardiff where he scored five goals in 21 appearances before linking up with Northampton at the start of this season.

Trevor Lee — Now at Fulham

BILL REGRETS

Bill Collins regrets, but he will be unable to attend Gillingham's next home game against Wigan on April 30.

The club's youth team manager, who seldom misses a home game, has an important appointment on the same day — the wedding of his youngest daughter Michelle who marries computer engineer Graham Ryall at Twydall Church.

Among the guests will be former Gills defender Steve Bruce, wife Janet and young son Alex.

YOUTH STRENGTH

Looking ahead to next season, Gillingham's youth team in the South East Counties League is already showing signs of being exceptionally strong.

England schoolboy international defender Ian Docker will be eligible to play and look out too for the familiar Medway name of Lillis.

Jason Lillis, another product of the Medway Primary Schools' representative side, is the son of the former Maidstone and Gravesend central defender Alan Lillis and nephew of ex Chatham Town midfielder Jack.

Jason, who plays in attack, holds the rare distinction of once being invited to sit beside the club's late chairman Dr Clifford Grossmark in the directors' box.

So high an opinion did the Doctor have of young Jason that he believed it impossible that Gillingham would sign him!

LAUGHTON'S LAMENT

Further to our early season report on the soccer-playing activities of Steve Laughton, a member of the Priestfield office staff, we're pleased to

announce that things are looking up for our likely lad.

Apparently, his club Parkwood reached a cup final and Steve scored — an own goal! We gather that the club sponsors, Cosmos Holidays, were in a far from sunny frame of mind.

And on the subject of the office staff, what was Horrie Page and family doing at Maidstone for the recent match with Kidderminster?

WHAT'S IN A NAME

Club secretary Richard Dennison wishes it made known that he has not changed his name to Dennis Richardson — as he was quoted recently on BBC Radio Kent.

Neither is he the same Richard Dennison that reports soccer for the News of the World.

KEITH'S REUNION

Today's visit of Bolton Wanderers enables Keith Peacock to renew an old acquaintance with their manager Charlie Wright, one of the truly great characters of the game.

The two were Charlton team-mates and when Keith was asked to list the best team of players he had known during his time at The Valley, Charlie was first choice goalkeeper.

Charlie Wright in fact amassed nearly 550 League appearances during his spells with Workington, Grimsby Town, Charlton and Bolton, 195 of them for Charlton.

One fact not generally known about Charlie is that he was once voted Hong Kong's Footballer of the Year after saving a penalty in an international with Peru. He was in Hong Kong at the time doing national Service.

NIGEL'S RETURN

The name Nwajobi has been given quite an airing in the national press and on television following the goalscoring feats of Luton Town's Chukwuemeka (Emeka for short) Nwajobi.

But how many Gillingham supporters remember his older brother Nigel who played for the youth team during the 1976-77 season and made seven appearances?

Nigel turned the clock back recently when he played for Gillingham Reserves in a friendly at Brentford.

NEWCOMERS

New to Priestfield today is that of the company, Sportheque who have moved into the shop where they will be selling replica strips and other items of sports equipment. Sportheque will be open six days a week.

CHARITY MATCH

Keith Peacock dusts his boots down once more tomorrow, this time for the benefit of Great Ormond Street Children's Hospital Bone Marrow Fund.

Keith joins former West Ham and England midfielder star Trevor Brooking plus former Arsenal manager Terry Neill in an Erith Veterans side that takes on the BBC and ITV Sports Commentators XI in a charity match at Dartford's Watling Street ground. Kick-off is at 3 p.m. with admission £1 for adults and 25 pence for children.

Sounding Off

**DON
DURBRIDGE**

If you spot a wry smile on the face of Seamus McDonagh as he runs out with the lads this afternoon it'll hardly be surprising! For the Irish international, who has been a part of quite a few big occasions, the irony that today's fixture throws up will not have gone unnoticed.

Here we are in an ever-harder dogfight for promotion and who is our last line of defence? Why, the Moose! The fella who has had not one but two careers as goalkeeper for our opponents, Bolton Wanderers.

Not only that, but last week he returned to his birthplace, Rotherham, and another of his former stages, the Millmoor ground.

It's a strange run of co-incidences for the man who took as his inspiration the former England custodian Gordon Banks.

For example Ron Hillyard, the man whose injury led to Seamus arriving at Priestfield, was also born in Rotherham . . . though nobody yet has acclaimed HIM as an Irishman!

Soccer folklore, of course, is full of such curiosities and they add to the spice of the game.

But the reality of the situation is that Bolton — way outside the promotion stakes themselves this season — have it in their power today to finally put paid to all our efforts.

And nobody will be trying harder to ensure that is not the outcome than the ex-Wanderer, drafted in on a loan transfer till the end of the season.

In the final analysis, though, it might not be down to our efforts alone. Listen out for news of Bristol City v Preston, Millwall v Bristol Rovers, and Newport v Hull.

Any or all those results, together with our own, will be crucial today. Seamus, as you know, plays the banjo. Thankfully, though, he's not highly strung! Which is just as well on a day like today.

Rovers race on

With the teams involved in the promotion race entering the final furlong, one side that have certainly forced their way back into the hunt are **Bristol Rovers**. Last Saturday Rovers closed up on the leading sides as they beat neighbours **Bristol City** 1-0 at Eastville with a 67th minute goal from Ian Holloway. This important win was their 10th match without defeat and the eighth time in the past 10 games that they have not conceded a goal.

At the top, long-time leaders **Bradford City** still look red-hot title favourites while **Hull City** have maintained their form to keep in second place. **Millwall** are still in third spot but have slumped in recent games while most of the chasing sides — **Gills** included — have had a few ups and downs.

The way things are shaping up it looks likely that five sides — **Hull City**, **Millwall**, **Gillingham**, **Bristol City** and **Bristol Rovers** — will contest the other two promotion places behind **Bradford City**. So there is certainly everything to play for during the next three or four weeks and, I feel that the outcome may not be decided until the final games have been played.

Here are the remaining games for each of these sides listed in the correct order:

At last!

Bristol Rovers finally broke their penalty jinx recently when Brian Williams rammed home TWO penalties in Rovers' 3-0 home win over **Brentford**. This ended a mammoth run of 48 games without a spot kick — a staggering 4,403 minutes of football!

TEN YEARS AGO

There was plenty of excitement, but no points for Gillingham in a seven goal thriller at Brighton on Saturday 5 April 1975.

Gerry Fell put the lowly Sussex club in front, Damien Richardson equalised from the spot and then Peter O'Sullivan and Harry Wilson — with a twice taken penalty — made it 3-1 at the break.

Brian Yeo headed home a freekick from Dick Tydeman to put Gills back in contention and a crowd of 10,487 grew increasingly anxious until Tony Towner netted a fourth to ease Albion's relegation worries.

Even so, there were further moments of anxiety for the Goldstone club when big Dave Shipperley reduced the deficit to 4-3 by heading in an 89th minute corner by George Jacks.

On the following Wednesday Gillingham entertained top-of-the-table Blackburn Rovers, but hopes of a big gate were scuppered by bitterly cold weather and a fall of snow.

However, 7,568 fans braved the conditions to watch a 1-1 draw.

After a blank first period, Stuart Metcalfe opened the scoring for Rovers and they retained that advantage until Richardson netted a deserved leveller from a last minute penalty.

3 ways to win

Canon is in a league of its own; now it's in your league too – with over £20,000 worth of prizes. You have between now and the end of the season to win for yourself – and for your club.

Rules

Both competitions are open to U.K. residents, except employees and their families, of Canon (UK) Ltd, The Football League Ltd, and Football League clubs, their agents or anyone directly connected with the competition or its administration. By entering the competition, all competitors will be deemed to have accepted and agreed to be bound by the rules and instructions as provided.

Entry instructions form part of the rules. The prizes will be awarded in order of merit to those competitors who have, in the opinion of the judges:

Spell & Win – collected the highest number of points for the winning club in each division (in the event of a tie or ties, a further postal competition will be held).

Shoot for Goal – most closely placed the photos in correct chronological sequence (in the event of a tie, prizes will be awarded to the entrants correctly naming the most players in photograph A).

Winners will be notified by post during the week commencing 29th July 1985 and a list of winners will be published in Competitors' Journal and in Football League club programmes. Full rules are available from the competition address on receipt of a stamped, addressed envelope.

Spell & Win

Simply collect the letters, spell the words and you could win a Canon T70 camera that is our first prize for the top points scorer in the winning club in each of the four divisions: there are ten runners up prizes of £50 each in each winning club too.

Your points work both for you and your club. Every club has been given a rating, based on their average Canon League attendance this season. Total points for each club are divided by its rating and the club that scores the most in each division wins a cash prize: Division 1 £4,000, Division 2 £3,000, Division 3 £2,500, Division 4 £1,500. The top 11 scorers from each of these winning clubs will be special guests of their club for a Canon League match next season.

You can use each letter once; they should be taped or glued firmly in position on the entry form. Canon Balls can be used for any letter, but only one can be used per word. If you manage to spell all four words your points total automatically doubles to 200.

Use only one per word

HELP YOURSELF AND HELP YOUR CLUB

We've said it before and we'll say it again. Our supporters are the best. So we know that you will use the new Canon "Three Ways to Win" promotion to help yourselves and us. "Three Ways to Win" is a new concept in football promotions. The fans can take part in competitions in which they can not only win prizes like Canon video cameras and recorders, Canon Sureshot cameras and Canon calculators, for themselves but also cash prizes for their clubs.

The details are all in the special "Three Ways to Win" insert in this programme. By scoring points in the Spell and Win competition you can help us to top our divisional table. Do that and we win prize money on the basis of £4,000 (First Division), £3,000 (Second Division), £2,500 (Third Division) and £1,500 (Fourth Division). And the eleven highest scoring supporters will be entertained at a match next season to receive their prizes.

That means that Canon (UK) Ltd, sponsors of the Canon League, are donating nearly £15,000 to clubs and fans. And that's not all. The value of Canon prizes in the Shoot for Goal competition is over £5,000.

Having bought a programme, you're in. And there's nothing to prevent you increasing your winning chances by buying more programmes. You can even get your leaflet at our away matches. With the third part of the "Three Ways to Win" promotion, Canon are offering discounts of between 15 per cent and 50 per cent off recommended retail prices of Canon Electronic Typewriters and Word Processors. All our business supporters have to do is take the programme insert along to the nearest Canon dealer and use the special pen there to reveal the Hidden Discount.

"Three Ways to Win" is a great bonus for clubs and fans, and if you don't win this time, the good news is that the promotion will be featured at all our remaining Canon League home games.

RETROSPECT

BOLTON 0, GILLINGHAM 1

Canon League Division 3 — Saturday 7 April 1984

Just for a change there were no complaints, not real ones anyway, about the standard of refereeing.

And not surprisingly either because the match officials for this encounter — Gillingham's first ever visit to Burnden Park — comprised England's team for the European Nations Cup finals in France. The only team, as it happened, as the footballers failed to qualify.

George Courtney was the man in the middle while Keith Hackett and Keith Miller is the man in the middle today!

After a miserable March, Gills were looking for maximum points to retain a place in the top half of the table.

Wanderers began the day in eighth position, three points better off than Gillingham but having played two games more.

In the first half Gills produced their best form for weeks and after Terry Cochrane, Dave Mehmet, John Leslie and Steve Bruce had all gone they eventually went in front on 25 minutes.

Tony Cascarino was the scorer, heading home a right flank cross from Cochrane.

The visitors remained comfortably in front until the interval, but were forced to defend for long periods in the second half.

They were fortunate to survive when Jeff Chandler headed a Steve Thompson centre against the bar and then had David Fry to thank for a good save to prevent Tony Caldwell from equalising.

Bolton continued on the offensive, but Gillingham held out and even missed a couple of reasonable opportunities on the break.

In the closing stages Fry saved a deflected low drive from Warren Joyce to ensure that Gills completed the double as they had beaten Wanderers 2-0 at home earlier in the season.
